

AMC FearFest

What is FearFest? In 1997, the AMC network launched Monsterfest, a popular week-long marathon of horror movies and thrillers that aired in late October. On September 26, 2008, AMC announced the launch of a new horror-themed movie marathon for its October schedule called "[Fearfest](#)" which replaced Monsterfest. Fear Fest typically runs from mid-October every year until Halloween (often the day after too) and in recent years has run throughout the entire month of October as well.
