Disney+ is brewing up another year of spooky programming for Halloweenstream with exciting new originals and beloved Halloween classics. **Beginning September 24th**, subscribers can enjoy all of their favorite Halloween-themed episodes and films in the new Halloween collection available on the streaming service. Disney+ will also debut three original programs "LEGO(R) Star Wars Terrifying Tales," "Muppets Haunted Mansion" and "Just

Beyond” as a part of the All Hallow’s Eve celebration.

New Disney+ Originals Premiering This October For Hallowstream

Premiering October 1st, “LEGO Star Wars Terrifying Tales” is a seasonal celebration of the villainous dark side of the Star Wars galaxy – just in time for Halloween. After the events of “The Rise of Skywalker,” Poe and BB-8 must make an emergency landing on the volcanic planet Mustafar where they meet the greedy and conniving Graballa the Hutt who has purchased Darth Vader’s castle and is renovating it into the galaxy’s first all-inclusive Sith-inspired luxury hotel. While waiting for his X-Wing to be repaired, Poe, BB-8, Graballa, and Dean (a plucky and courageous young boy who works as Graballa’s mechanic) venture deep into the mysterious castle with Vader’s loyal servant, Vaneé. Along the way, Vaneé shares three creepy stories linked to ancient artifacts and iconic villains from across all eras of Star Wars. As Vaneé spins his tales and lures our heroes deeper into the shadowy underbelly of the castle, a sinister plan emerges. With the help of Dean, Poe and BB-8 will have to face their fears, stop an ancient evil from rising, and escape to make it back to their friends. A new image from “LEGO Star Wars Terrifying Tales” is now available. Check out the trailer for the Halloween special here:

The Muppets’ first-ever Halloween special “Muppets Haunted Mansion” will premiere on Friday, October 8th on Disney+. The brand-new special will feature a star-studded Muppets cast, celebrity cameos, all-new music and spooky fun for families to enjoy together. “Muppets Haunted Mansion” takes place on Halloween night, when Gonzo is challenged to spend one very daring night in the most grim grinning place on Earth ... The Haunted Mansion.

All eight episodes of the supernatural anthology series “Just Beyond” will premiere on Wednesday, October 13th as a part of the Disney+ Hallowstream celebration. Inspired by the writings of R.L. Stine, the series tells astonishing and thought-provoking stories of a reality just beyond the one we know. Each episode introduces viewers to a new cast of characters who must go on a surprising journey of self-discovery in a supernatural world of witches, aliens, ghosts and parallel universes.

To kick off the celebration early, fans can watch “What If... Zombies?!” – the latest episode in Marvel Studios’ first-ever animated series – premiering today on Disney+. In this eerie episode, The Avengers are infected by a zombie plague, and surviving heroes must search for a cure.
