

Disney Channel Monstober

What is Monstober? Monstober (previously named Disney Channel's Hauntober Fest and later called Wiz-tober in 2008) was a nightly marathon of Halloween-related movies that debuted on October 1, 2005 on Disney Channel. In 2012, Wiz-tober was renamed Monstober to get ready for the *Girl Vs. Monster* premiere. While the Disney Channel does continue to air Halloween related programming during the month of October, Monstober appears to have officially ended after October 2016.

How to watch the Disney Channel without cable?
