

# Halloween Ends (2022)

## Movie Summary

Four years after the events of last year's Halloween Kills, Laurie is living with her granddaughter Allyson and is finishing writing her memoir. Michael Myers hasn't been seen since. Laurie, after allowing the specter of Michael to determine and drive her reality for decades, has decided to liberate herself from fear and rage and embrace life. But when a young man, Corey Cunningham, is accused of killing a boy he was babysitting, it ignites a cascade of violence and terror that will force Laurie to finally confront the evil she can't control, once and for all.
